**Whenever
you feel alone**

**Play this song, sing along
The sound of the world**

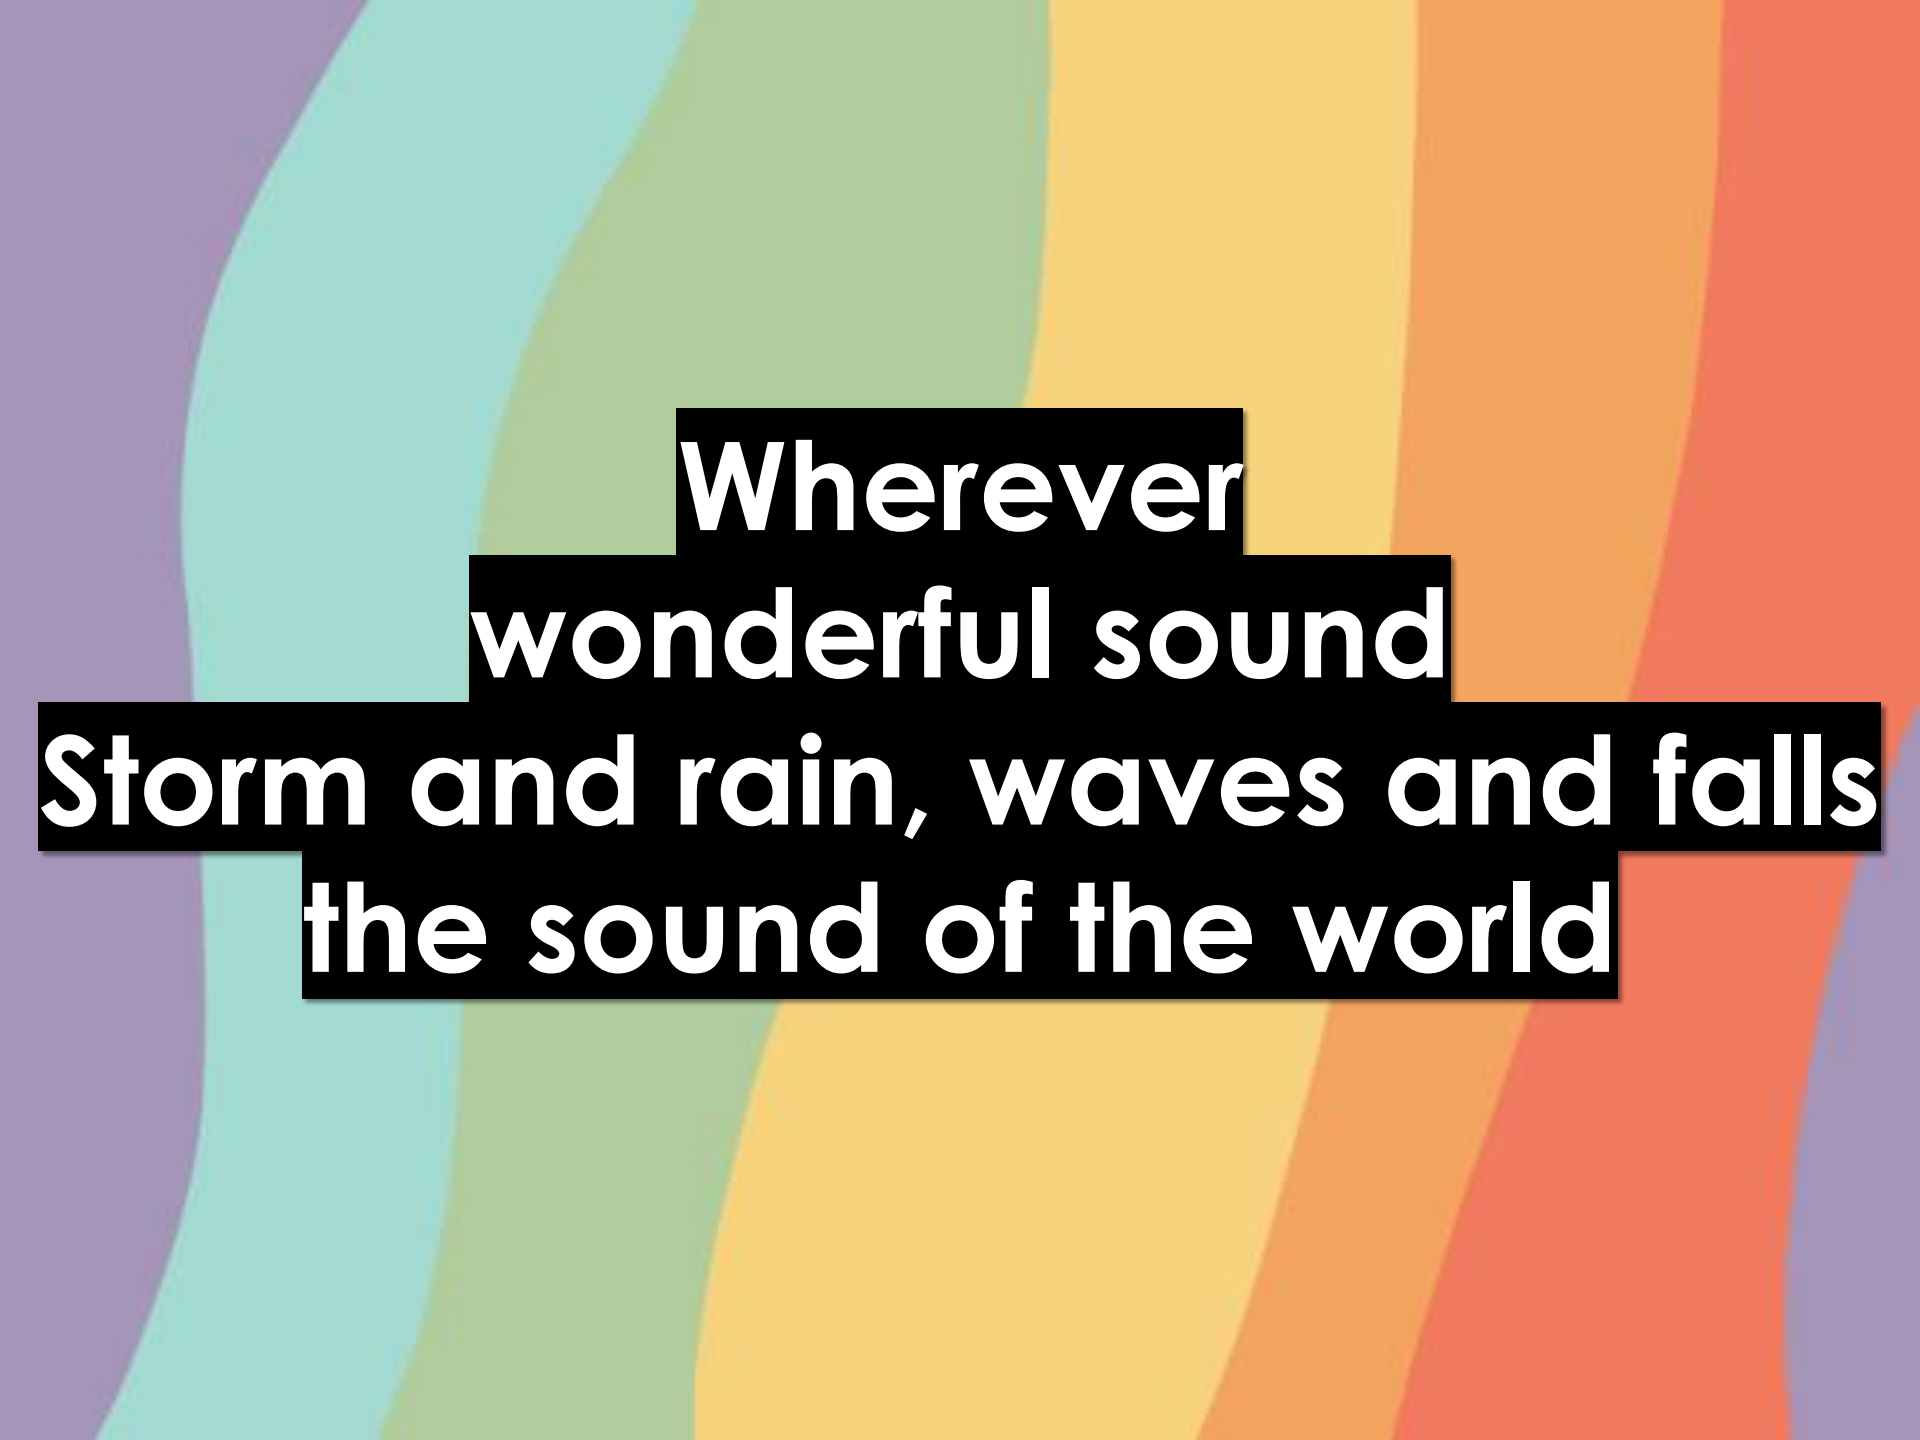

**Wherever
you'll feel at home
Hear the sounds all around
The sound of the world**

**Singing! Sounds of the world are so swinging
Singing! Making the bells of love ringing**

**We are the sound, we are the sound of our world
We are the sound, we are the sound of our world**

**Wherever
wonderful sound
Storm and rain, waves and falls
the sound of the world**

**Footsteps
on the brown leaves
chirping birds, river, and woods
the sound of the world**

**Singing! Sounds of the world are so swinging
Singing! Making the bells of love ringing**

**We are the sound, we are the sound of our world
We are the sound, we are the sound of our world**

**Remember
all magic sounds,
you had heard and loved these
the sounds of the world**

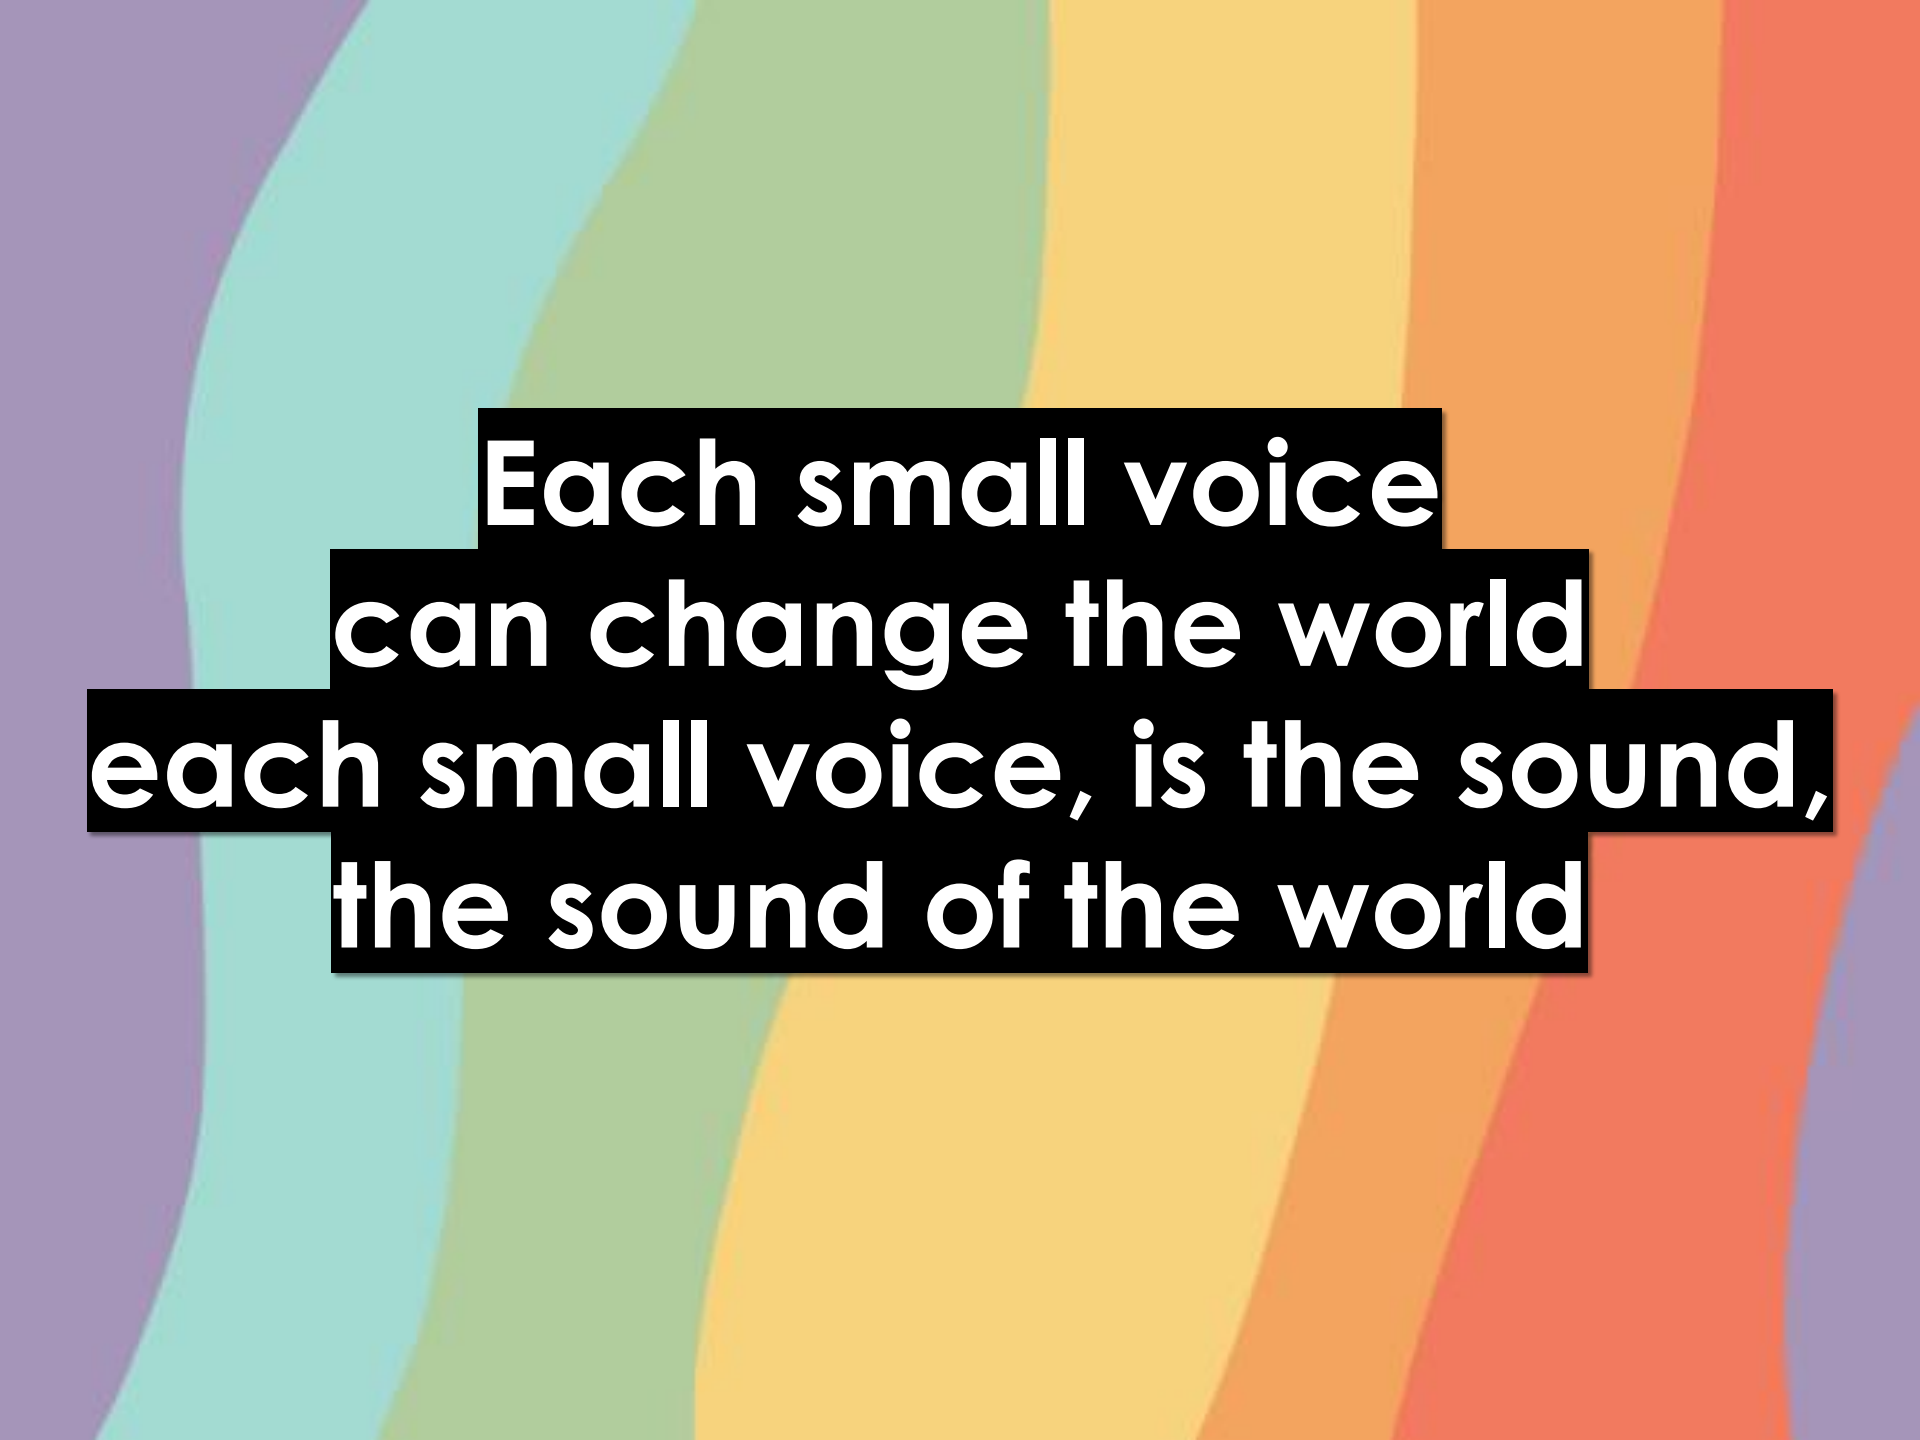

Oh listen!
My heart beating
you can find in your mind
the sound of the world

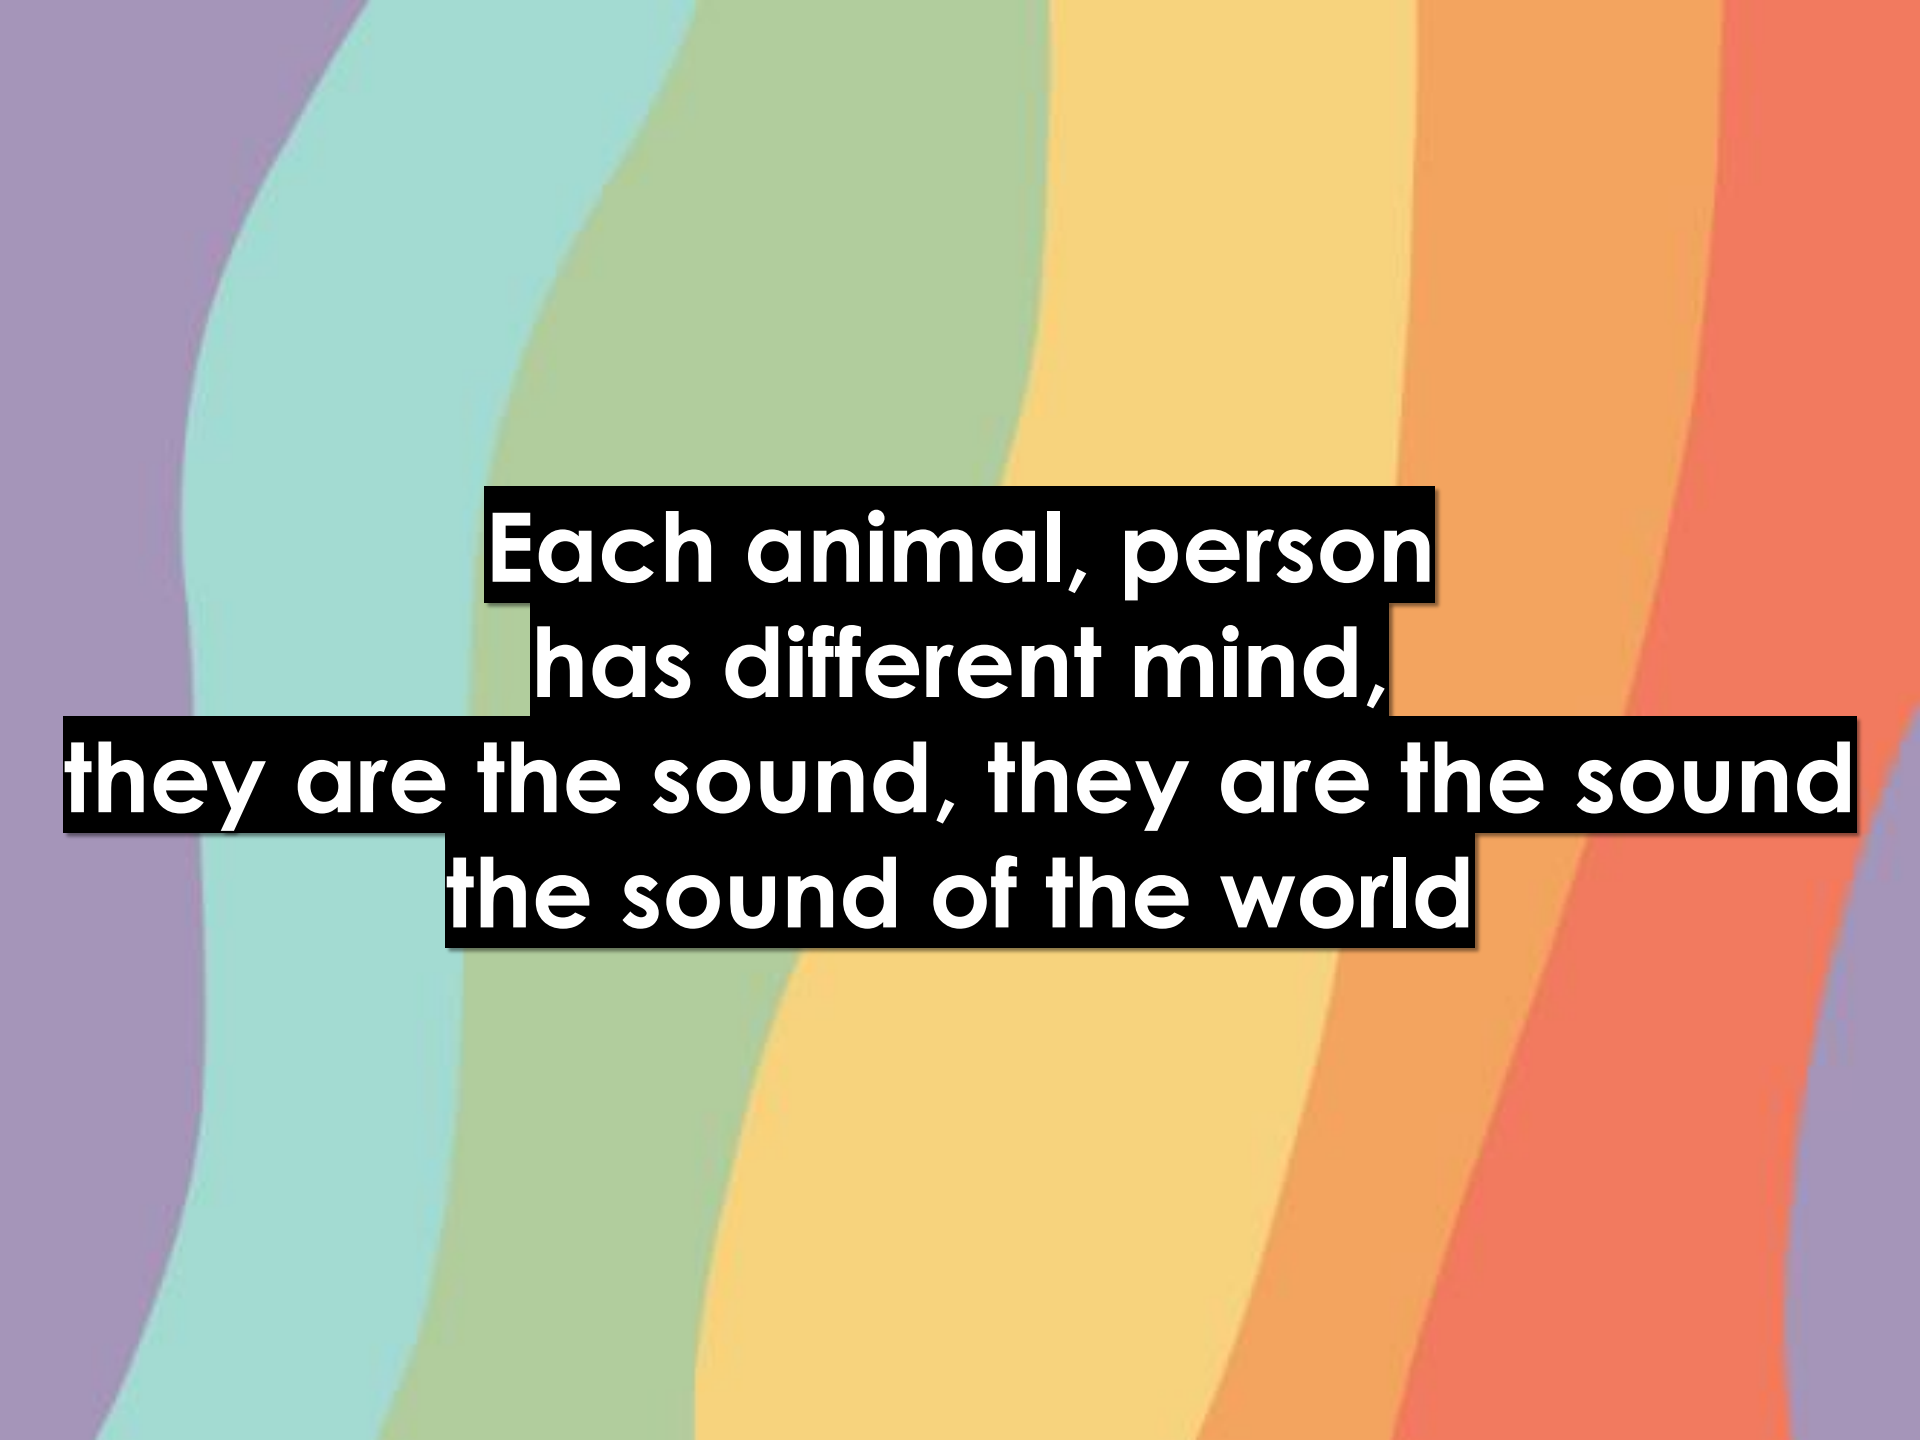

**Singing! Sounds of the world are so swinging
Singing! Making the bells of love ringing**

**We are the sound, we are the sound of our world
We are the sound, we are the sound of our world**

The background of the image consists of several vertical, wavy stripes in a rainbow color palette. From left to right, the colors are purple, teal, light green, yellow, orange, and red. The stripes have a soft, flowing appearance, creating a vibrant and dynamic background for the text.

**Each small voice
can change the world
each small voice, is the sound,
the sound of the world**

**Each animal, person
has different mind,
they are the sound, they are the sound
the sound of the world**

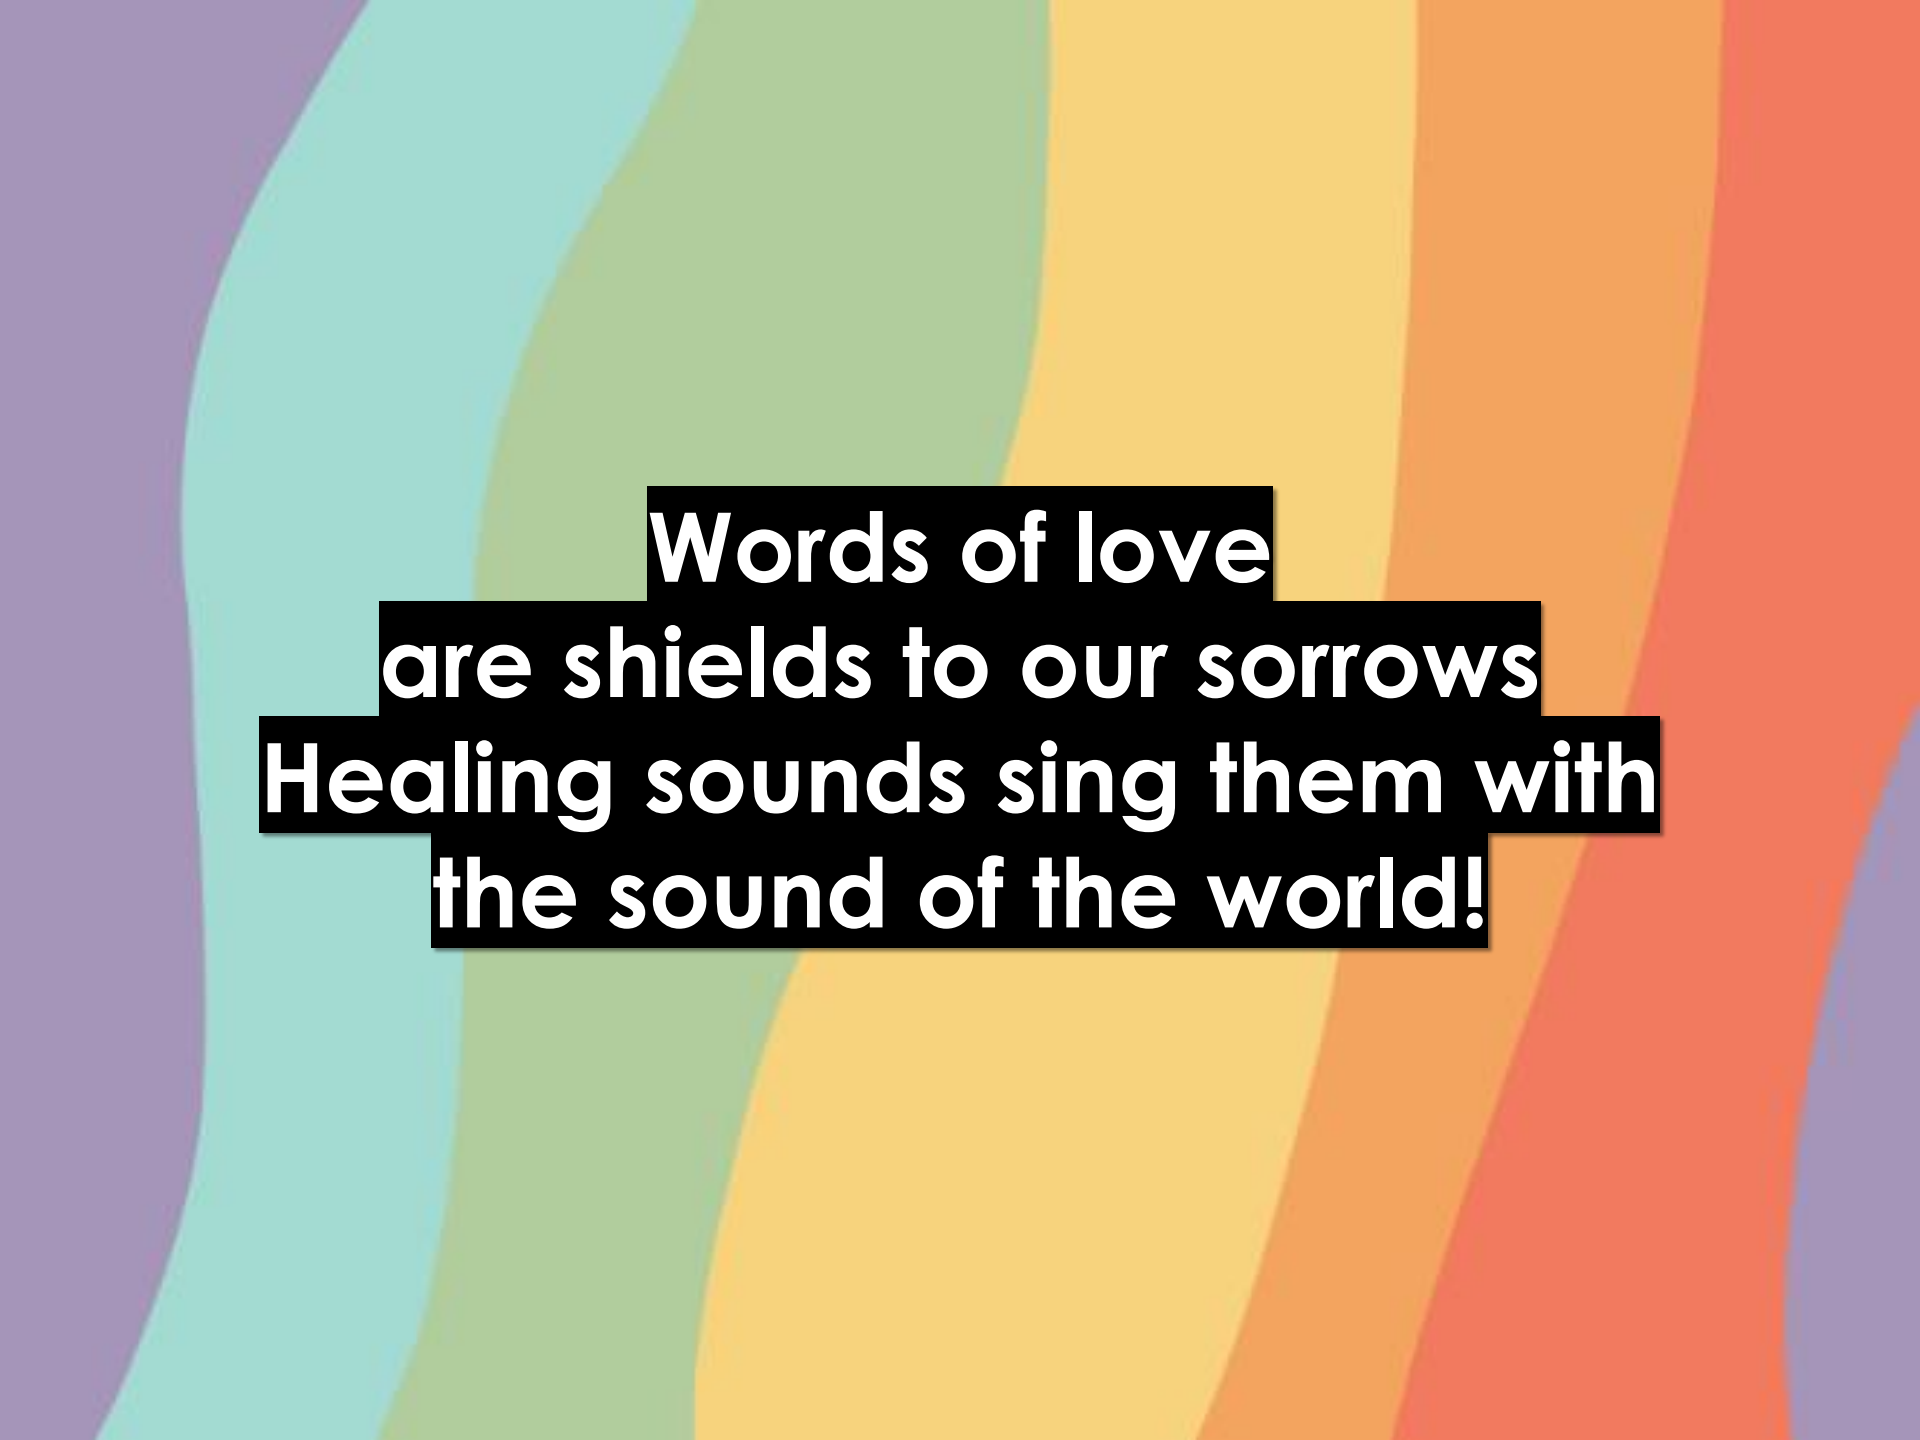

**Singing! Sounds of the world are so swinging
Singing! Making the bells of love ringing**

**We are the sound, we are the sound of our world
We are the sound, we are the sound of our world**

**Together
raising our voices
Loud and clear, hear them with
the sound of the world**

**Words of love
are shields to our sorrows
Healing sounds sing them with
the sound of the world!**

**Singing! Sounds of the world are so swinging
Singing! Making the bells of love ringing**

**We are the sound, we are the sound of our world
We are the sound, we are the sound of our world**

**Together
music and words**

**Clap your hands with new friends
The sound of the world**

We gather

from every land

All our voices beat the noise

The sound of the world

**Singing! Sounds of the world are so swinging
Singing! Making the bells of love ringing**

**We are the sound, we are the sound of our world
We are the sound, we are the sound of our world**
